

To College of the Holy Cross families,

For the 2024-2025 academic year, College of the Holy Cross is proud to partner with E&R – The Campus Laundry to provide world-class Laundry & Dry Cleaning services to all interested students. We are excited to announce new offerings available through our exclusive partnership with E&R – The Campus Laundry, aimed at ensuring students have access to top-tier laundry services while allowing them to utilize their free time on campus for Education and Recreation.

E&R has been a leader in laundry services for over 100 years, including over 17 years with College of the Holy Cross, delivering exceptional world class service to world-class institutions. With their laundry service, you can ensure that your student's linens are cleaned weekly, along with their weekly personal laundry, promoting a safer and healthier lifestyle for your student. E&R's environmentally friendly processing helps save the environment by conserving 86% in water, 68% in gas, and 82% in electricity compared to using washers and dryers on campus. Additionally, E&R exclusively uses GreenEarth Cleaning for all dry-cleaning needs.

E&R has tailored their plans to allow your student to make the most of their limited free time on campus, saving them between 80 and 100 hours per school year. They offer several efficient and practical programs, drawing on their extensive experience providing professional laundry service to over 100 preparatory schools, colleges, and universities throughout the Northeast.

To enroll, visit the E&R website at TheCampusLaundry.com and select the plan that best suits your student's needs. The sign-up process is simple and will take just minutes. After signing up, you will receive communication about your service directly from E&R. Additional details are provided on E&R's website.

Here are the highlights of their programs:

- Focus on academic advantages, easing into campus life, and saving 80-100 hours.
- Provide comfort in knowing their laundry is cleaned for a healthy and safer lifestyle.
- Maximize free time for education and recreation—students have earned it!
- Ensure laundry, personal bed, and bath linens are cleaned in a sanitary and environmentally friendly facility.
- Rely on the positive reputation of a company with a century-long track record of success.

E&R – The Campus Laundry has a proven track record of providing reliable, professional, and top-quality service to students. We encourage each of our families to review the enclosed materials, choose a plan, and ensure your student makes the most of their time on campus. As part of their commitment to our communities, E&R – The Campus Laundry is dedicated to supporting local initiatives and contributing positively to the areas in which they operate.
